A STRIKING,
ERGONOMICALLY
THOUGHT-THROUGH
DESIGN

LUXURY MIRRORS
COLLECTION

Angello Vittali design is determined by aesthetics, functionality and ergonomics, not by the kind of logic that characterizes mass production. The fittings and accessories of EDITION 300 clearly exemplify this philosophy and make it something to be experienced. Convenience of use coupled with striking elegance. The brilliance of the perfectly worked surface emphasizes the characteristic contours.

JANSSEN

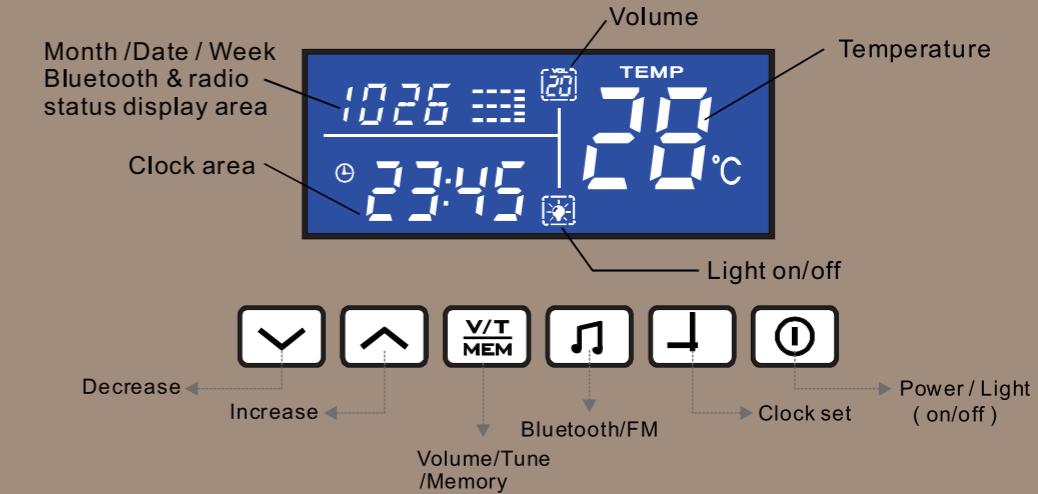

LED MIRRORS

A MIRROR IS NOT JUST A PRACTICAL ESSENTIAL BUT A GREAT OPPORTUNITY TO ADD A REAL FLOW TO YOUR BATHROOM.

OUR IDEA
OF FREEDOM OF
DESIGN

LINEAR, PURE AND SIMPLE

Your face is illuminated without shadow, making applying make-up or shaving easygoing. Dim the energy-efficient mirror and leave it on when you retire for the evening to serve as a night-light in the bathroom. A bathroom lighted mirror is the perfect way to transform your bathroom. With standard features like: Super slim hidden back only 20mm thin, Anodised finish on the hidden aluminium frame, 70,000+ hour energy efficient LED lighting, turn on/off with a light switch on the wall, IP67 rated, powered by a energy efficient 12 volt DC power supply, UltraMirror which is copper free and corrosive resistant, easy to follow installation guide and a 3 year warranty. What is not to love about a LED Bathroom Lighted Mirror by ANGELLO VITALLI Designs. We have supplied illuminated mirrors to 5-star hotels, resorts and corporate centres.
